Hi Dave,

Please see the attached items for your attention. If you have any questions or concerns, please let me know. (Will do another sweep this evening in case something else comes in.)

1. **For signature** – National Wetlands Grant with updated transmittal memo
2. **For review** – Draft Florida Assumption public hearing material
3. **For review** – Draft note for the OW Awards Program
4. **For signature** – Draft policy memo for listing meetings for rulemaking dockets

Notes, but not attached.

1. **For review** – GLRI FY 18 RTC for OMB/Interagency Review – asked Jess, still awaiting final response from her
2. **For review** – Updated SRF Annual Reports – one left in your stack
3. **Awareness** – Jeaneanne will send notes and background for the Task Force meeting. She's happy for you to do remarks, and her to do EPA's vote.
4. **Awareness** – Anna edited PA, and I had to loop in Andrew to address. I noted that we'd still like to close the loop today.

Thank you,

Janita
